May 2017

The Indian River Photo Club Inc.

Meeting Announcement

May 25, 2017

Indian River Photo Club will hold its monthly meeting on Thursday, May 25th at the Vero Beach Community Center, 2266 14th Ave., Vero Beach at 6:30 PM. This month Curtis Jensen, will give a tutorial entitled "The Basics of Panoramic Photography" and the Club's president, Billy Ocker, will offer a short talk on "Time Lapse Photography."

Refreshments will be served and guests are welcome.

The theme for this month's photo Awards is "From Dusk 'till Dawn" and all member's entries are welcome.

For further information go to the IRPC web site at:

Our Club President's Monthly Snapshot

Hello Photo Club Members,

The April club meeting was enjoyed by all who came. We had three great photographers who presented us with some of their great works. We also had a great slide show featuring a selection of many flowers, all recently photographed by members. The different perspectives of looking at them were more than a pleasing experience. Indeed, they were just what Audubon would have ordered.

Thank you everyone for participating, and especially, a big “thank you” to JR for assembling the fabulous montage and spending so many hours to perfect the presentation. I am eagerly waiting to see what the next Members’ showcase and slide show brings to us .

At May’s meeting we will be having two great speakers .This will be a first for the club. Our first speaker will be Curtis Jensen (a long time members of the club and past BOD officer) and he will be showing us how to stitch photos together to make one big panoramic photo. I, for one, know that you all will like this.

Our second speaker will be me. I will be showing you how I make time lapse video out of a collection of photos. I am sure that after I show you how to do this you will be wanting to run out and try this for yourself. This will be my first presentation to the club and I’m sure you’ll enjoy it.

I am happy to see more and more members willing to volunteer to make our club a big success. I personally want to thank all the members who helped at last month's meeting. Everyone helped make the meeting a really enjoyable fun filled occasion for all who were there.

In closing, I want to remind some of our tardy members that your dues are past due and are really needed. Costs of administration are constantly creeping up. We have avoided increasing the annual dues. However, we do need everyone to keep supporting the monthly financial outlays of the club, and keep us in the black.

Remember, always keep your camera with you with the batteries charged, as you never know when it will be needed.

See you on May 25 and let’s have yet another great day.

Sincerely, Billy Ocker,
Indian River Photo Club, president .

PS. It has been brought to our attention that the photo processing facility at Sam’s on Hwy 60 has been closed. It will be missed by many of our members who have successfully used that service over the past several years, .

Awards for IRPC Meeting Thursday April 27, 2017

Theme: Labor of Love
